### **Hooks for Hunger**

We don't even know where to begin! The annual HOOKS FOR HUNGER WALLEYE TOURNAMENT to benefit CRS was another amazing success -- breaking their record from last year by more than \$10,000!

Below are just a couple great pics from the event, which was held Saturday, June 30th at Miller Road Park in Avon Lake.

Special thanks go out to the following individuals who made up the Hooks for Hunger planning committee. In partnership with the City of Avon Lake and the Avon Lake Parks and Recreation Department, this team of dedicated and hard working individuals worked tirelessly to help our neighbors in need: Brian Belmont, Sean

Thank you to the Community West Foundation for their support of CRS!

Over the last couple of months, we were so honored to host two separate groups of visitors from Community West, including Board members, members of their Grants Committee and staff. They were given the opportunity to learn more about who we are and what we do. Following, we're pleased to announce that they will once again be providing CRS with a General Operating Grant in the amount of \$10,000 for the upcoming fiscal year.

We're so very grateful to have partners like the Community West Foundation to help us further our mission!
