Bidders interested in bidding on the item will raise their hand so that a spotter can see them. You may use your voice to draw attention to your bid as well. (advised)

If you are the winning bidder, your bid number will be recorded by the spotters. You will receive your item upon payment and checkout.

Payment may be made with **cash, check, VISA or MasterCard**. Payment by a successful bidder must be made in full the evening of the auction. There will be no exchanges or refunds on any item unless specifically stated.

All sales are final. All auction items must be removed from LaCentre at the conclusion of the evening. LaCentre will assume no responsibility of items left after that time.

Stated values of auction items are the donor's estimates. For tax purposes, your charitable deduction is limited to the excess of the contribution of the declared retail value.
